Dear Dean Mantle:

I am writing to inform you that on May 15, 2025, the Committee on Accreditation, on behalf of the Commission on Teacher Credentialing, changed the status from *Accreditation with Major Stipulations* to **Accreditation with Stipulations** to Alliant International University and its credential programs. On the basis of this decision, the institution is authorized to offer the following programs:

Preliminary Education Specialist Mild to Moderate Support Needs with Intern

All stipulations were removed except for stipulations 1a and 2. An accreditation status of *Accreditation with Stipulations* was granted with a follow-up for focused interviews with candidates and district employed supervisors by December 2025. The remaining stipulations are as follows:

By December 2025, the institution will provide evidence, including focused interviews with candidates, demonstrating:

1. a. That the support, advice, and assistance to promote candidates' successful retention in the program provided by the unit is effective. (Common Standard 2, Multiple Subject/Single Subject and Preliminary Education Specialist: Mild to Moderate Support Needs) *Please note that the Preliminary Administrative Services program has addressed this stipulation.*

2. That site-based supervisors receive training, are evaluated by the program and engage in two-way communication with the program that is effective and systematic. (Common Standard 3, Preliminary Multiple Subject and Single Subject, Education Specialist: Mild to Moderate Support Needs, and Pupil Personnel Services Programs)

Should you or your staff have any questions relating to this action, you may address them to Cheryl Hickey, Administrator of Accreditation, at chickey@ctc.ca.gov.
