Eric Swanson, Superintendent
Folsom-Cordova Unified School District
1965 Birkmont Drive
Rancho Cordova, CA 95742

Dear Superintendent Swanson:

At the March 12, 2026, Committee on Accreditation (COA) meeting, the COA reviewed the provisional site visit accreditation team report that is required as one of the last steps at the end of the provisional period of the Initial Institutional Approval (IIA) process. This site visit report is required in advance of the Commission on Teacher Credentialing's consideration of Folsom-Cordova Unified School District for final Institutional Approval as part of the conclusion of Stage V of the IIA process.

After consideration of the team report and discussion with the institutional personnel and team lead, the COA acted to assign the status of *Accreditation* with a 7th Year report to Folsom-Cordova Unified School District and its credential program. Further, the COA acted to ensure that all issues related to the standards that were found by the accreditation team to be met with concerns be addressed in a 7th year report. Once these issues are addressed, the report will be brought forward to the Committee on Accreditation and, if all has been deemed satisfactory by the COA, then Folsom-Cordova Unified School District may move forward to the Commission for final step in the Initial Institutional Approval process. Please continue to work with your Commission consultant Timothy Weekes to address these final issues. Also, please note that Folsom-Cordova Unified School District does not need to wait an entire year to complete this process. Once you believe that you have addressed all remaining issues sufficiently, please work with your state consultant and Commission staff will place the report on the agenda for COA consideration.

Should you or your staff have any questions relating to this action, you may address them to Cheryl Hickey, Administrator of Accreditation, at chickey@ctc.ca.gov.

Sincerely,

Mary Vixie Sandy, Ed. D.
