Redding, CA 96003

Dear Dr. Dummer:

I am writing to inform you that on February 22, 2018 the Committee on Accreditation, on behalf of the Commission on Teacher Credentialing, assigned the status of **Accreditation with a 7th year report** to Simpson University and its credential programs.

Within 6 months of the accreditation decision, Simpson University must submit documentation that will address all areas of the site visit report where standards were less than fully met as well as those elements that were found to be inconsistent by the review team.

On the basis of this decision, the institution is authorized to offer the following programs:

Preliminary Multiple Subjects/Single Subjects
Preliminary Administrative Services Credential

In addition:

- The institution's response to the preconditions is accepted.
- Simpson University is permitted to propose new credential programs for approval by the Committee on Accreditation.
- Simpson University continues in its assigned cohort on the schedule of accreditation activities as determined by the Commission on Teacher Credentialing.

Should you or your staff have any questions relating to this action, you may address them to Cheryl Hickey, Administrator of Accreditation, at chickey@ctc.ca.gov.

Sincerely,

Mary Vixie Sandy, Ed.D.
Executive Director
