Dear Dr. DuVarney:

I am writing to inform you that on June 29, 2017, the Committee on Accreditation, on behalf of the Commission on Teacher Credentialing, took action to remove five of the six stipulations assigned to the Tehama County Office of Education. The status of the Tehama County Office of Education remains **Accreditation with Stipulations**.

Following is the stipulation to be met:

- The Tehama County Office of Education must provide a report within one year of the date of the Committee on Accreditation action which provides evidence that relevant stakeholders are actively involved in the organization, coordination, and governance of all professional preparation programs.

Should you or your staff have any questions relating to this action, you may address them to Cheryl Hickey, Administrator of Accreditation, at [chickey@ctc.ca.gov](mailto:chickey@ctc.ca.gov).

Sincerely,
