Dear Dr. Fortune:

I am pleased to inform you that on April 8, 2009, the Committee on Accreditation, on behalf of the Commission on Teacher Credentialing, took action to remove the substantive stipulations placed on Project Pipeline (Mt. Diablo Unified School District). As a result of the above action, the Committee on Accreditation changed the accreditation status of Project Pipeline (Mt. Diablo Unified School District) from "Accreditation with Substantive Stipulations" to "ACCREDITATION".

As part of the change in accreditation status, the COA requests that in the institutions' next Biennial Report, a report be included updating the progress of the implementation of the new design for the Special Education Credential program.

Should you or your staff have any questions relating to this action, you may address them to Teri Clark, Administrator of Accreditation, at (916) 323-5917.

The Commission and its staff are grateful to Project Pipeline (Mt. Diablo Unified School District) for its commitment to the preparation of professional educators.

Sincerely,

Dale A. Janssen
