Dear Superintendent Matsuda:

I am writing to inform you that on January 28, 2021, the Committee on Accreditation, on behalf of the Commission on Teacher Credentialing, assigned the status of *Accreditation with Stipulations* to Anaheim Union High School District and its credential program. On the basis of this decision, the institution is authorized to offer the following program:

Teacher Induction

The following stipulations must be addressed by the institution:

- 1) Within a year, the institution provide evidence that it
 - a. uses the CSTP as the road map for candidates' induction work, including the measure for successful outcomes of their inquiry cycles, as the measurement tool for candidate growth in determining program completion, as well as discussed in both initial and ongoing mentor training.
 - b. regularly assesses and provides feedback to the mentors regarding the quality of their services to their candidates, based upon candidate feedback.
 - c. implements a comprehensive continuous improvement process that helps to determine the effectiveness of the program and the unit, through regular and systemic collection of feedback from multiple sources of data. The reports should also include any program modifications that were made based upon gathered feedback/data.
- 2) That a progress report be provided to the COA six months from the date of the original site visit.

In addition:

- The institution's response to the preconditions is accepted.
- Anaheim Union High School District is permitted to propose new credential programs for approval by the Committee on Accreditation.

- Anaheim Union High School District continues in its assigned cohort on the schedule of accreditation activities as determined by the Commission on Teacher Credentialing.

Should you or your staff have any questions relating to this action, you may address them to Cheryl Hickey, Administrator of Accreditation, at chickey@ctc.ca.gov.
