Dear Superintendent Washer:

I am writing to inform you that on May 2, 2019, the Committee on Accreditation, on behalf of the Commission on Teacher Credentialing, assigned the status of *Accreditation with Stipulations* to Lodi Unified School District and its credential program. On the basis of this decision, the institution is authorized to offer the following program:

Following are the stipulations placed on the institution. Lodi Unified School District must address the following stipulations:

- 1) That within one year, Lodi USD provide evidence that it actively involves faculty, instructional personnel, and relevant stakeholders in the organization, coordination, and decision making for all educator preparation programs.
- 2) That within one year, Lodi USD provide evidence that the education unit ensures that faculty and instructional personnel regularly and systematically collaborate with colleagues in P-12 settings, college and university units, and members of the broader educational community to improve educator preparation.
- 3) That within one year, Lodi USD provide evidence of the implementation of a comprehensive continuous improvement process in which both the unit and its programs regularly assess their effectiveness and make appropriate modifications based on findings. This process must include the systematic collection, analysis, and use of candidate and program completion data as well as data reflecting the effectiveness of unit operations.
- 4) That within one year, Lodi USD provide evidence that the continuous improvement process collects feedback from key stakeholders such as employers and community partners about the quality of the program.

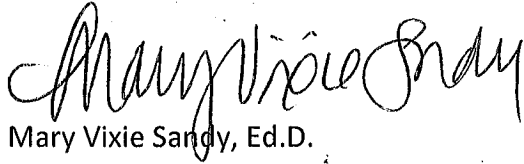

In addition:

- The institution's response to the preconditions is accepted.

- Lodi Unified School District is permitted to propose new credential programs for approval by the Committee on Accreditation.
- Lodi Unified School District continues in its assigned cohort on the schedule of accreditation activities as determined by the Commission on Teacher Credentialing.
