Montebello Unified School District

Montebello, CA 90640

Dear Dr. Martinez:

I am writing to inform you that on June 27, 2019, the Committee on Accreditation, on behalf of the Commission on Teacher Credentialing, took action to change the accreditation status of Montebello Unified School District from Accreditation with Probationary Stipulations to Accreditation with Stipulations.

The Committee on Accreditation removed all stipulations with the exception of the following stipulations which were maintained:

- Within one year, the institution/unit provides evidence of a collaborative, cohesive, coordinated district-level leadership structure that allows for standards implementation at both the program and unit levels. (Common Standard 1 and Program Standard 6)
- Within one year, the unit leadership creates and implements a continuous comprehensive improvement process. (Common Standard 4)
- Within one year, the program provides evidence that they have fully transitioned to the 2016 Induction Program Standards, featuring a mentor-based system of support that is individualized for each candidate, based upon their self-assessed needs as chronicled in their Individual Learning Plans. (Program Standard 3)

In addition:

The prohibition on Montebello Unified School District proposing new credential programs has been lifted and MUSD is permitted to propose new credential programs for approval by the Committee on Accreditation. Montebello Unified School District will continue in its assigned cohort on the schedule of accreditation activities, subject to the continuance of the accreditation activities by the Commission on Teacher Credentialing.

Should you or your staff have any questions relating to this action, you may address them to Cheryl Hickey, Administrator of Accreditation, at chickey@ctc.ca.gov.

Sincerely,

A handwritten signature in cursive script that reads "Mary Vixie Sandy".
