Dear Dr. Morton:

I am writing to inform you that on March 26, 2020, the Committee on Accreditation, on behalf of the Commission on Teacher Credentialing, assigned the status of *Accreditation with a 7th Year Report* to The Master's University and its credential programs. The 7th year report would address all standards that were deemed met with concerns.

On the basis of this decision, the institution is authorized to offer the following programs:

Preliminary Multiple Subject Credential
Preliminary Single Subject Credential

In addition:

- The institution's response to the preconditions is accepted.
- The Master's University is permitted to propose new credential programs for approval by the Committee on Accreditation.
- The Master's University continues in its assigned cohort on the schedule of accreditation activities as determined by the Commission on Teacher Credentialing.

Should you or your staff have any questions relating to this action, you may address them to Cheryl Hickey, Administrator of Accreditation, at chickey@ctc.ca.gov.

Sincerely,

Mary Vixie Sandy, Ed. D.
Executive Director
