Dear Superintendent Mendoza:

I am pleased to inform you that on December 10, 2021, the Commission on Teacher Credentialing granted Full Institutional Approval to Burton School District. Burton School District is now authorized to offer educator preparation programs resulting in California credentials. This action followed the Committee on Accreditation's decision on October 28, 2021, to assign the status of *Accreditation* to Burton School District and its credential program. On the basis of these decisions, the institution is authorized to offer the following program:

Teacher Induction

In addition:

- The institution's response to the preconditions is accepted.
- Burton School District is permitted to propose new credential programs for approval by the Committee on Accreditation.
- Burton School District is assigned to the Violet cohort and will continue on the schedule of accreditation activities for that cohort, as determined by the Commission on Teacher Credentialing.

For information regarding the [Accreditation Schedule and Activities](#), please refer to the Commission on Teacher Credentialing's website.

Should you or your staff have any questions relating to this action, you may address them to your assigned cohort consultant at psdorange@ctc.ca.gov.

Sincerely,

Mary Vixie Sandy, Ed. D.
