David Haglund, Superintendent
Pleasanton Unified School District
4666 Bernal Avenue
Pleasanton, CA 94566

Dear Superintendent Haglund:

I am writing to inform you that on June 29, 2022, the Committee on Accreditation, on behalf of the Commission on Teacher Credentialing, took action to remove the stipulations placed upon Pleasanton Unified School District and changed the status from *Accreditation with Probationary Stipulations* to the status of *Accreditation* to Pleasanton Unified School District and its credential program. On the basis of this decision, the institution is authorized to offer the following program:

Teacher Induction

In its discussion, the Committee on Accreditation recognized and commended the actions taken to address the stipulations over the past year. In taking the action to remove the stipulations the Committee required that the institution provide two follow up reports at six months intervals over the next year. The purpose of these reports is to allow Pleasanton Unified School District to provide updates on:

- The impact of the Advisory Team.
- The evolution of the system of support for Education Specialist candidates including the role and impact of the new Education Specialist coach who will begin the position in the 2022-23 school year – and the Education Specialist mentors.
- The outcome of the May 2022 colloquium and the subsequent process and planning for the colloquium in the 2022-23 school year.

In addition:

- The institution's response to the preconditions is accepted.
- Pleasanton Unified School District is permitted to propose new credential programs for approval by the Committee on Accreditation.
- Pleasanton Unified School District continues in its assigned cohort on the schedule of accreditation activities as determined by the Commission on Teacher Credentialing.

Should you or your staff have any questions relating to this action, you may address them to Cheryl Hickey, Administrator of Accreditation, at chickey@ctc.ca.gov.

Sincerely,
